## **General Election November 21, 2023**

My name is Jon West and I'm running for a position on the Midvalley Improvement District board. I'm asking for your participation in the upcoming general election November 21.

- What is it? Midvalley Improvement District provides sewer services to area residents in parts of Midvale, Murray, and Sandy.
- What does the board do? The board provides citizen oversight for sanitary services in the Midvale, Murray, and Sandy area.
- Why am I running? I am running because you deserve a choice in elections. I'm sure the incumbent is doing a fine job, but I don't think anyone should get to stand for reelection unopposed.

About me: My family and I have lived in Sandy for more than twenty years. I have worked in finance for a local technology company since moving to Utah in 1998. I have many years of experience working with budgets and helping management make financially effective decisions. I intend to bring that experience and discipline to the Midvalley Improvement district board. Outside of work, I have enjoyed serving the community as a youth sports coach for many years.

About elections: In Utah we mostly vote by mail. If you aren't registered to vote, please do so. While I am hopeful you'll vote for me, I really only hope that you vote. Participation in our democratic process is essential toward preserving it, and I hope we all participate as a community. You can learn about registering to vote at the website [voter.utah.gov](http://voter.utah.gov)

Thank you for your consideration,

Jon West
